

ROHITH PERUMALLA

Rohith.Perumalla@gmail.com

Summary

Exceptionally motivated student with: a deep passion for technology, experience leading and working with groups, and solution-oriented inventive problem-solving skills. Leads and participates in numerous volunteer events and loves learning new things.

Education

LIBERTY HIGH SCHOOL 2014 – 2018 (Current: 11th)

Coursework in Computer Science, Internet Working, Computer Maintenance, PLTW Engineering programs: Introduction to Engineering and Design (IED) and Principles of Engineering (POE); Speech, Communication, and Psychology.

Involved in various organizations including: Student Council, National Honor Society, Computer Science Club, Competitive and UIL Computer Science Team

Experience

CO-FOUNDER, CO-CEO, CTO - ROHO SQUARED 2016-PRESENT

As Co-Founder, Co-CEO, and CTO, I've worked through the process of creating a business from the ground up creating a clear cut business platform and constructing a marketing approach utilizing the power and functionality of social media. Currently working on the company's marketing, and managing all of the company's web services, graphic design, and dev/coding.

HIGH SCHOOL INTERN - NATIONAL BREAST CANCER FOUNDATION, INC. 2016

As one of the inaugural high school interns at the National Breast Cancer Foundation (NBCF), I gained immense knowledge about the non-profit landscape. I worked on the High School Breast Cancer Awareness Month (BCAM) Packs, a major project that supports NBCF's mission of Helping Women Now.

Awards and Accomplishments

2016: Recipient of the "AP Scholar with Honor" Award.

2014-2016: Competed in Computer Science competitions including UTD's "Battle of the Brains" and HP's "Code Wars".

2015: Successfully led a volunteer project to pack and distribute birthday bags that provided a birthday experience to underprivileged children.

2014: Successfully worked with city officials to plant trees around the cities of Flower Mound and Coppel

Volunteering Experience

2008 - 2016: Participated in Plano park cleanups.

2010 - 2016: Helped pack and organize food cans at the Plano Food Pantry.

2016: Helped implement a Point of Sale (POS) and Inventory Management system at the Allergy and Asthma Treatment Center, Plano TX.

2015: Packed 80 birthday bags, with each bag providing a birthday experience for an underprivileged child.

2015: Volunteered as a Teacher Assistant at the Think and Speak Up Summer speech camps.
