Experience

ROHO SQUARED   -   CO-FOUNDER, CTO   *2016 - PRESENT*

As Co-Founder and CTO I've worked through the process of creating a business from the ground up creating a clear cut business platform and constructing a marketing approach utilizing the power and functionality of social media. Currently working on the company's marketing, and managing all of the company's web services, graphic design, and dev/coding.

NATIONAL BREAST CANCER FOUNDATION, INC   -   HIGH SCHOOL INTERN   2016

As one of the inaugural high school interns at the National Breast Cancer Foundation, I gained immense knowledge about the non-profit landscape. I worked on the High School Breast Cancer Awareness Month (BCAM) Packs, a major project that supports NBCF's mission of Helping Women Now.
